# INDEX TO VOL. V.

A.		Page.
Actiology of Inebriety.—Neurotic mental activity, . . . . . 17		
Alcohol in cases of great exposure, . . . . . 22		
Action of alcohol on the brain and nervous system, . . . . . 62		
Acute diseases following Inebriety, . . . . . 124		
Annual meeting of our Association, . . . . . 167		
Alcoholic inebriety from a medical point, . . . . . 183		
Adjustment of inherited tendencies, . . . . . 225		
Alcoholic thinking, . . . . . 236		
Alcoholic insanity, . . . . . 241		
Alcohol on the electrical condition of the body, . . . . . 262		
B.		
Beer and strong alcohols, . . . . . 53		
Beer statistics, . . . . . 182		
Border-land studies, . . . . . 264		
C.		
Craniology of Inebriates, . . . . . 48		
Chloral Inebriety, . . . . . 171		
Care of Inebriates, . . . . . 182		
Curability of Inebriety, . . . . . 192		
Crothers, T. D., . . . . . 53, 54, 88, 109, 156, 186, 267, 268, 269		
Curability of opium addiction, . . . . . 252		
Caffeine and alcohol, . . . . . 273		
D.		
Delusions on the treatment of dipsomania, . . . . . 43		
Discussion of Inebriety from traumaism, . . . . . 93		
Diseases of the eye from Inebriety, . . . . . 104		
Divisions of Inebriety, . . . . . 112		
Dipsomania, . . . . . 121		
Disease of Inebriety, . . . . . 123, 201		
Day, Albert, . . . . . 22, 73, 153, 262		

ii	Index	Vol 5
Dipsomania, . . . . .		258
Dipsomania of Fee, . . . . .		262
Danger from marriage with Inebriates, . . . . .		268
E.		
Exercise in the treatment of Inebriety, . . . . . 199		
Early stage of Inebriety, . . . . . 190		
F.		
Food in the treatment of Inebriety, . . . . . 58		
Facts of alcohol, . . . . . 123		
Facts concerning Inebriety, . . . . . 153		
G.		
German Association for the Cure of Inebriates, . . . . . 116		
H.		
Heredity, . . . . . 122		
Heredity in crime and Inebriety, . . . . . 128		
How to treat Inebriates, . . . . . 145		
Historical notes on the responsibility of Inebriates, . . . . . 156		
History of the growth of public sentiment in England, . . . . . 160		
Howard, Henry, . . . . . 60		
Hall, Lucy M., M.D., . . . . . 213		
Historic note, . . . . . 274		
I.		
Inebriety and how to check it, . . . . . 65		
Inebriety causing cirrhosis of the liver, . . . . . 121		
Inebriety provoked by the church sacrament, . . . . . 186		
Individual treatment of Inebriety, . . . . . 194		
Inebriety from inheritance, . . . . . 200		
Inebriety in woman, . . . . . 215		
Inebriety from the standpoint of to-day, . . . . . 266		
K.		
Kerr, Normand, . . . . . 77, 160		
L.		
Legal opinions of Inebriety, . . . . . 88		
Liberty of the Inebriate, . . . . . 181		
Legal treatment of Inebriates, . . . . . 203		
M.		
Mason, Lewis D., . . . . . 8, 241		
Mann, E. C., . . . . . 29, 140		
Matison, J. B., . . . . . 252		

*Index* . . . . . iii

*P.*

Pathology of Inebriety, . . . . . 56  
 Principles of Inebriate asylums, . . . . . 73  
 Practical facts relating to the disease of Inebriety, . . . . . 84  
 Paresis and Inebriety, . . . . . 179  
 Prevention of Inebriety, . . . . . 190  
 Parrish, Joseph, . . . . . 1, 84, 144, 225  
 Pathological hints of Inebriety, . . . . . 230  
 Popular temperance movement, . . . . . 267

*R.*

Report of English inspectors of Inebriate asylums, . . . . . 107

*S.*

Some practical points relating to treatment of Inebriety, . . . . . 27  
 Semi-annual meeting of the Asso. for the Cure of Inebriety, . . . . . 40  
 Some new books, . . . . . 53  
 Study of Inebriety, . . . . . 55  
 Some new remedies valuable in Inebriety, . . . . . 61  
 Studies on alcohol, . . . . . 101  
 Special remedies in the cure of Inebriety, . . . . . 115  
 Symptoms of inherited Inebriety, . . . . . 118  
 Statistics of the increase of revenue tax, . . . . . 198

*T.*

The temperance cause and its departures, . . . . . 1  
 The importance of restraint in the early stages of dipsomania, . . . . . 8  
 The remedial treatment of Inebriates, . . . . . 77  
 The memory in Inebriety, . . . . . 102  
 The effects of alcohol in Inebriety of women, . . . . . 106  
 The philosophy of insanity, crime, and responsibility, . . . . . 108  
 Treatment of opium Inebriety, . . . . . 126  
 The pathology of Inebriety and its importance, . . . . . 139  
 Test for alcohol in the urine, . . . . . 181  
 The legal and scientific means for treatment in Inebriety, . . . . . 183  
 The medical recognition of Inebriety, . . . . . 196  
 Treatment of Inebriates in small homes, . . . . . 272

*W.*

Washington Inebriate Asylum, . . . . . 113  
 What shall we do with the drunkard, . . . . . 174  
 What is an Inebriate, . . . . . 180  
 Wright, T. L., . . . . . 15, 228  
 Where Inebriety is not recognized medically, . . . . . 271
